W. L. LUX'S Supplemental Price List

SPRING 1922

Seventeenth and Highland Ave.

Rural Rout 7

Phone 2732 K 1

This list supersedes all others and is good so long as my stock is not sold out.

Reference Dun's Commercial Agency and Farmers' National Bank.

For home grown Berry plants, directions for planting and other nursery stock not priced here, see Fall Price List 1921.

Guarantee—I guarantee my stock to be alive and in good condition when it leaves my care. After that it is entirely out of my control and I do not stand responsible for either safe arrival or the growth of the crop. The Express Company is responsible for unusual delays or accidents to stock while in their care. Claims must be made upon receipt of goods. Should any stock prove to be unsatisfactory, notify me within 3 days after its arrival at destination and I will try to satisfy you. I am just as much interested in your success as you are. It means more business for me.

Berry, Small Fruit and Flower Plants, also Shrubs and Trees under 3 feet, will be packed and delivered f. o. b. Topeka. All Trees and Shrubs 3 feet and over, if wanted shipped, add to the list price 50 cents for orders of \$5 or under, and 25 cents for each additional amount of \$5 or under.

If stock is a little dry on arrival, wet it thoroughly and bury it in moist soil until ready to plant.

Caution—Never wet the tops of Strawberry plants until ready to plant, it will cause damping off; wet lower part of roots only and heal in moist soil. Do not plant too deep the crown must have air.

Michigan Grown Plants—Some people prefer northern grown plants, they are usually a little larger than home grown plants, but do not usually arrive until about April 1 to April 10. If you want 2000 or more Michigan strawberry plants I can order them sent direct to you for \$4.50 a 1000 F. O. B. Bridgeman, Mich. Varieties (1000 of a kind) Dunlap, Dr. Burrell, Gibson and Warfield. Most other kinds 50c to \$1.50 more.
